

SPRING MEDICINE

Hood's Sarsaparilla, the Great Blood Purifier, Is the Best

Spring sickness comes in some degree to every man, woman and child in our climate. It is that run-down condition of the system that results from impure, impoverished, devitalized blood. It is marked by loss of appetite and that tired feeling, and in many cases by some form of eruption. The best way to treat spring sickness is to take Hood's Sarsaparilla. This old reliable family medicine purifies, enriches and revitalizes the blood. It is an all-the-year-round alterative and tonic, and is absolutely the best spring medicine. Get your blood in good condition at once—now. Delay may be dangerous. Ask your druggist for Hood's Sarsaparilla, and insist on having it, for nothing else can take its place.—Adv.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known for the mucous membrane. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Big Holstein Auction 85 Head of Registered and High Grade Holstein Cattle

As we have purchased the Milham stock from the Farnham or Stevens farm, in East Montpelier, on which the entire buildings recently burned, and have not sufficient room to tie the stock, have decided to sell same at public auction to the highest bidder on the premises known as the Fred Gale farm in Barre Town, about one mile from Barre City, near the Cobble Hill creamery, on

TUESDAY, APRIL 11

1916, at 10:30 o'clock in the forenoon. This stock has been gotten together at a great expense by H. M. Farnham and is considered the best herd in Washington county, being especially well marked, mostly all white.

FIFTY COWS

All young; about 15 now fresh, 20 to freshen soon, and 15 fall cows; 10 2-year-old heifers, 5 to freshen within the next 30 days, mostly white, very fancy; 13 yearlings, 10 extra fine calves. All this stock are large size, many of the cows having an enviable reputation as milk and butter producers. Included in this number is Prince Idaho, Van Beers, No. 107163, bred by the Vermont state hospital, Waterbury, Vt., sire Prince Van Beers of Edgeland, No. 54009, dam Idaho Princess No. 111203. Mercedes Wit Des, col No. 102618, bred by H. W. Varney, Vergennes, Vt., sire Buck DeKol Mercedes, No. 38753, dam Ethel Wit Des No. 46734; 1 yearling heifer and 1 heifer calf, both eligible to registry; also 3 registered Jersey cows, from the Eastman Hopkins herd of Cabot; 1 grade bull. This stock will particularly appeal to any farmer wanting the better grade of stock, as it is not the kind usually offered and would not be on the market at this time only on account of the recent fire at the Farnham farm. With the exception of three cows, not one in this herd is over 8 years old. The grades run from 3/4 to 15/16 pure bred Holstein. Come and look this stock over, as you seldom have an opportunity to see such splendid stock together. Bear in mind that turning out time is only a few weeks distant. Remember the date, Tuesday, April 11, 1916, at 10:30 o'clock in the forenoon. Lunch at noon. At the Fred Gale farm in Barre Town.

T. R. OUT TO BEAT HUGHES

Report He Is Determined to Eliminate the Justice

BITTERNESS IN THE CAMPAIGN

Harding Is to Be Temporary Chairman at the Chicago Convention

Washington, April 8.—Is the price of Theodore Roosevelt's return to the Republican party to be the elimination of Charles E. Hughes as a possibility for the presidential nomination if it is refused to the colonel? This portentous question is more seriously asked of each other by members of the old guard than any other in connection with the Roosevelt movement. A chief effect of the Roosevelt-Roosevelt reconciliation conference, was to stiffen determination that the colonel should not be the Republican candidate. They had Hughes to oppose him with, at least until the justice should inform him that they had not—and they do not expect him to make an announcement so disastrous to their plan of campaign. Since the conference several things have occurred to crystallize a very chaotic situation into a semblance of concrete form. The news of the conference, it will be recalled, was made public by the Roosevelt side, not by Mr. Root or his friends. This news was calculated to benefit the colonel more than anyone else, although the meeting, as these dispatches have suggested, made the colonel no more or less a candidate than he was before. He has been a candidate ever since he consented to the holding of a rival Progressive convention in Chicago. The purpose of that convention was to make the colonel the only candidate the Republicans could nominate with the assurance that he would command the full support of the Progressive wing. For several months, Colonel Roosevelt has let slip from Oyster Bay friendly mention of the presidential possibilities like Burton, Knox and Cummings, but he never has announced his willingness to support any man likely

to receive the nomination. Yesterday his intimate friends were saying that he will support Hughes, and the Republican leaders are convinced that the colonel is determined that if the Republican convention will not take Roosevelt, it shall not have Hughes. The colonel's recent "no pussyfoot" utterance from Oyster Bay is universally interpreted as a toss of his hat into the ring, although his friends soften his blazing sentences with the explanation that he meant merely, "you can take me or leave me as you choose."

Paris Check Rate Weakens to 600/4—Move to Stabilize Exchange.

New York, April 8.—Rumors of another loan or commercial credit to France were current again yesterday on the further weakness of French exchange, the Paris check rate weakening to 600/4, against Thursday's low quotation of 599/2. The low rate for francs in this market was established in August and September last when checks on Paris sold at 603.

It is known that bankers representing French interests have been negotiating for weeks past with a view to effecting some stabilization of exchange between this center and Paris. The French government has recently discharged some heavy financial obligations in this country and it is assumed that its credits are somewhat depleted at this time.

RANDOLPH

Elton Stevens left Friday for Lawrence, Mass., where he went for an indefinite stay, having found employment.

Mrs. M. F. Esterbrook has returned from Lawrence, Mass., where she had been since last Friday, having been called there by the death of her aunt and cousin.

A daughter was born Thursday to Mr. and Mrs. E. H. Mason. The child has been given the name of Margaret Morse. Eleven young ladies recently met with Miss Ruth Scott and organized a Junior Sanatorium Aid society, with the following officers: President, Miss Ruth Scott; vice president, Helen Merrill; secretary, Gladys Cantlin; treasurer, Nan Hatch. Miss Evelyn Denny gave a card party while home from her teaching, to which she invited fifteen of her friends. The party developed a shower for Miss Marjorie Chedel, who received many nice gifts of cut glass and silver, in anticipation of her approaching marriage. Refreshments were served and a jolly time was the result.

The Lenten service in the Catholic church began on Friday evening, with Rev. John A. Lynch to preach the sermon. Mr. Lynch, who comes from Northfield, took for his topic, "To Whom Shall We Go?"

Mr. and Mrs. J. D. Mitchell have been in Rutland and Bridgewater for a few days' stay with relatives.

Charles Robinson, the son of Dana Robinson, recently underwent an operation at the sanatorium, with the hope of receiving help for epilepsy.

Elsie, daughter of Mr. and Mrs. Sawyer, was taken to the sanatorium Friday for an operation for appendicitis.

Mrs. O. R. Greene and her daughter, Florence, returned Friday from a two weeks' trip to Albany, where they went to visit Miss Ethel Greene, and from there to New York, to visit friends in the city.

Mr. and Mrs. A. E. Chandler and Miss Marie Cadwalder have returned from a three months' stay in New York and Philadelphia. On their way home they also visited in Atlantic City and Keene, N. H.

Mr. and Mrs. George Fifield and son of Johnson have moved to Randolph, where they are to occupy the lower tenement in the house of Mrs. C. R. Pratt on School street, and Mr. Fifield will be employed in the Brigham creamery.

The campfire girls gave a dance in the grange hall on Friday evening, which was fairly well attended.

There were 99 registered at the rest room in the month of March, 25 of whom were residents of the village. It is understood that the Rochester club recently voted to give \$10 to assist in the support of this object for the coming year.

There were 1622 books taken out from the Kimball public library in March, of which there were about 910 of fiction.

Frank Morse of St. Albans visited his brother, George, and family a few days this week.

Rev. M. W. Hale of Cabot was at R. S. Barr's Thursday.

Hiram Rowe of Peacham was a business visitor in this place Wednesday. Wednesday and Thursday were the first good sap days this season. Not much sugar has been made here yet.

Two teams collided on Main street last Saturday, causing slight damage to the wagons and some bruises to the occupants, but no serious injuries were sustained.

T. B. Holt and daughter, Mrs. Lee Blanchard of Groton, visited at C. E. Shepard's Thursday.

Victor Spear, one of the prominent officers of the Vermont Maple Sugar association, is to be one of the speakers at the maple sugar exhibit May 3, under the auspices of Alberta grange.

The wheat party at E. N. Spencer's last Tuesday evening was well attended. First prizes were won by Superintendent Butterfield and Miss Mary Gilman; consolation prizes by C. E. Thwing and Miss Mabel Henderson.

Lawrence Rosebrook and son of Groveton, N. H., visited his brother, E. A. Rosebrook, a few days last week.

C. M. Lilley left Saturday for Burlington, where he underwent an operation Monday at the Mary Fletcher hospital. He is reported as doing well.

George A. Davis and family of Bradford are visiting friends and relatives in town this week.

Beginning next Sunday, the evening service will begin at 7:30, instead of 7, as has been the custom during the winter.

Will Nute of St. Johnsbury visited his brother, L. D. Nute, recently.

Kingston Chapin left Monday for Randolph to resume his studies at the agricultural school.

Mr. and Mrs. Henry Johnson are visiting friends in Northfield this week.

Miss Florence Wooster returned to Barre Monday to resume her work as teacher in the public schools.

WILLIAMSTOWN.

Charles D. Brockway, who died April 3, was born Nov. 30, 1873. At 19 years of age he learned the barber's trade and worked at this business for about nine years. Then he went into the grocery business with his father. When the R. F. D. routes were started from Williamstown, he was appointed carrier on route No. 1. This route he served for about ten years. In November, 1914, he was obliged to give up his duties as carrier because of failing health. His health continued to fail until his death, April 3. Mr. Brockway was a kind and loving husband and will be greatly missed in his home.

Card of Thanks. I wish to thank the kind friends for their sympathy and also for the flowers in the time of my bereavement. Especially I wish to thank Dr. Cross and the nurses who performed their duties so faithfully in trying to save my loved one.

BREAK A CHILD'S COLD BY GIVING SYRUP OF FIGS

Cleanses the Little Liver and Bowels and They Get Well Quick

When your child suffers from a cold don't wait; give the little stomach, liver and bowels a gentle, thorough cleansing at once. When cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

If your child coughs, snuffles and has caught cold or is feverish or has a sore throat give a good dose of "California Syrup of Figs" to evacuate the bowels no difference what other treatment is given.

Sick children needn't be coaxed to take this harmless fruit laxative. Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given to-day saves a sick child to-morrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine made by "California Fig Syrup Company."—Adv.

Hat Braiders at West Townshend Deprived of Material by War.

Brattleboro, April 8.—The business of braiding palmleaf hats, which is carried on in and around the village of West Townshend, is in danger of being wiped out as a result of the European war. That locality is one of the few in New England where palmleaf hats are braided in the homes, and although the business is much smaller than formerly it will surprise most persons to know that not far from 100 persons devote a part of their time to the work, under the direction of Charles H. Grout, who maintains the business in connection with his general store in West Townshend.

For several months Mr. Grout has been unable to get the palmleaf, which comes from southern Europe. The leaves come to this country folded like a closed fan and are bleached and split to the desired width before being sent to the localities where the hats are braided.

Back in 1880 from 1600 to 2000 persons in and around West Townshend devoted their leisure hours to braiding hats for J. H. Fullerton, who shipped from 15,000 to 20,000 dozen a year. There was a profit of eight cents each to the braiders, but it is much less now.

The work of braiding is always of much curiosity to city visitors. It is done very rapidly by skilled persons.

SOCONY KERO-SCENES

"Good morning, Mr. Mason; I see you've got a new sign in your window."

"Oh! yes. The SOCONY Sign. Yes, that's been up ever since the first of the week. What do you think of it?"

"I think it's fine. I'd a whole lot rather buy kerosene with a name and a pedigree than just any old oil the dealer happens to have in his tank. SOCONY, you call it?"

"That's right. So-CO-ny. It's the Standard Oil Company of New York's best grade of refined oil. We've always carried it because we wanted our customers to have the best. Now it's got a name—SOCONY—and nobody's gladder than I am. Maybe now, people will begin to realize that all kerosene is not alike."

"There's a difference, is there?"

"I should say so. Just as there's a difference in eggs and a difference in butter. SOCONY Kerosene Oil is clean, clear-burning, absolutely reliable. Every gallon is exactly the same as every other gallon."
